

Hardwood Chalk, Marker and Cork Boards

The Hardwood Series features an attractive 1 3/4" hardwood frame that can be mounted "as is" or stained or painted by the purchaser to match its surroundings. Standard features include a Ceramicsteel P3 writing surface in white for marker boards and green black and slate colors as a chalk board. The Hardwood Series is also available in tack or bulletin board configurations in standard sizes from 18"x24" to 4'x12' featuring natural cork, Forbo cork (twelve colors), vinyl (six colors) and fabric (six colors) surfaces. An optional hardwood chalk/marker tray is also available for many sizes and configurations. Boards up to 4'x6' are hung using "Industry Standard" "L" clips. 4'x8' and larger are hung using "Z" clips as shown in the drawing.
